I am fine with the arrangement. We will have to document it on the June calendar.

We were potentially thinking having you on hazard rotation on 6/21 plus HOF duty that week. I'm thinking we can maybe switch you to the week after instead if you like to take week of 6/21 off. [REDACTED] - Do you see any issues?

For the month of June, we would like to bring [REDACTED] into the part A rotation due to lack of HH staff (with [REDACTED] away). [REDACTED] would need good training and support from a senior assessor to get started. Would you be willing to be her mentor on part A and help her esp with the first few set of cases?

Hey [REDACTED] Ex. 6 Personal Privacy (PP)

I would like to take off the week of June 21-June 25. Let me know if that will be okay.

Thanks
